Interactive Design Process

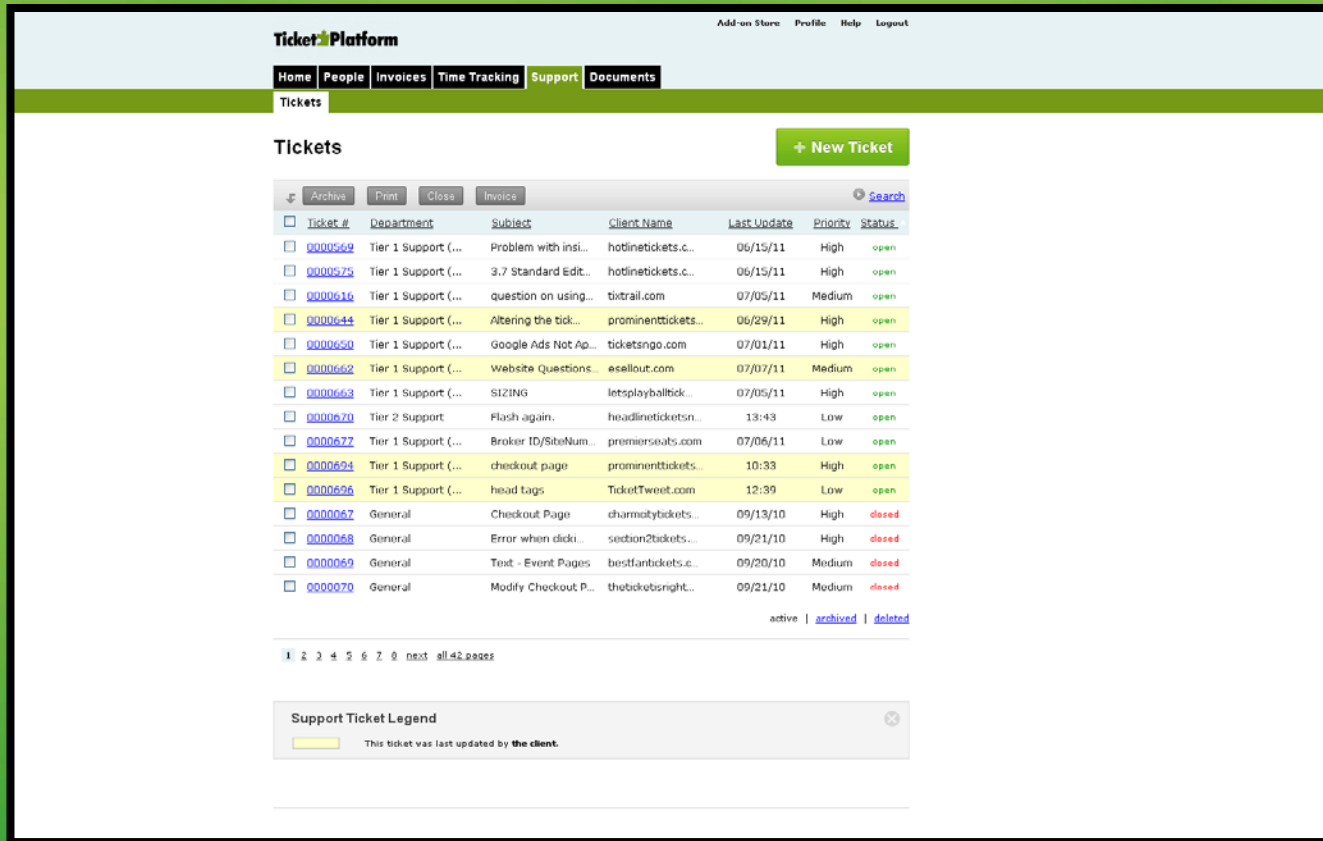

Using the BasecampHQ Project Management System, you will be able to work directly with our team of designers and support professionals to customize your new site exactly to your liking.

The screenshot displays the BasecampHQ project management interface for a project named "PXS - Frontrowtickets.com". The interface is organized into several sections:

- Navigation:** At the top, there are links for "Launchpad", "Basecamp Projects", and "Highest Contacts". Below this, a green bar contains "Back to Dashboard" and "Switch to a different project".
- Project Header:** The project name "PXS - Frontrowtickets.com" is prominently displayed, along with "Frontrowtickets.com" and navigation links for "Project Settings", "My Info", and "Sign out".
- Overview:** A secondary navigation bar includes "Overview" (selected), "Messages", "To-Do's", "Calendar", "Whiteboards", "Time", and "Files".
- Project Overview & Activity:** This section features a calendar view for the week of July 10-16, 2011. The current date, "Today 11", is highlighted in yellow. Below the calendar, there are links for "New issues page", "New to-do list", "New events", and "New file".
- Today:** A list of recent activity is shown, including comments and messages. For example, on Friday, 9 July 2011, there are several comments with the subject "Re: Let's get started" and "Re: 1st Design Draft", posted by users like Jesse F. and Mel H.
- Right Sidebar:** This area contains the "Ticket Platform" logo and several utility sections:
 - Stay up to date on this project:** Includes options to "Turn on email updates" and a "Project RSS feed".
 - People on this project:** Lists team members such as Nic DuVernet, Jesse Fair, Michael Schairer, Amr Khalighi, and Ryan Hedden, along with their last activity times.

Support System

Using our advanced Freshbooks invoice and support system, you will be able to submit tickets to our team of support professionals and manage all billing for your account in an easy to use online environment.

The screenshot displays the 'Ticket Platform' support system interface. At the top, there is a navigation bar with links for 'Home', 'People', 'Invoices', 'Time Tracking', 'Support', and 'Documents'. Below this, a 'Tickets' section features a '+ New Ticket' button and a table of active tickets. The table includes columns for 'Ticket #', 'Department', 'Subject', 'Client Name', 'Last Update', 'Priority', and 'Status'. Several tickets are highlighted in yellow, indicating they were last updated by the client. A 'Support Ticket Legend' at the bottom explains that yellow highlighting means 'This ticket was last updated by the client.'.
